ARCHETTA

CHANDELIER · A FOUNTAIN OF LIGHT

THE PIECE

ARCHETTA makes fine metal arches spring from a single point, like water from a fountain, each ending in an opal globe. In black, bright red, copper, or nickel, the structure creates a sculptural line against the ceiling.

MATERIALS

White opal glass
Black

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Bulb socket G9 LED: do not exceed the stated maximum wattage.

Glass: dry or slightly damp microfibre cloth, then dry thoroughly.

Fabric: dust with a soft brush or a low-power vacuum.

Metal: soft dry cloth; no abrasive products.
