BATRAZ

CEILING LIGHT · THE ART OF MINERAL MOSAIC

THE PIECE

The BATRAZ ceiling light reinvents the use of natural stone with rare mastery. Its shade is not a simple block, but a fascinating mosaic of genuine alabaster shards meticulously assembled by hand. This geometric composition, framed by an elegant forged metal mount, creates a sumptuous "mineral stained glass" effect.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
