BEMBI

PENDANT LIGHT · ELEGANCE IN ITS PUREST FORM

THE PIECE

A block of alabaster at the end of a wire. BEMBI does not seek effect: the stone is enough, and the light passing through it does the rest.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
