CAJI

WALL LIGHT · ELEGANCE IN ITS PUREST FORM

THE PIECE

CAJI is understated. A solid block of alabaster, a discreet mount, and the material left alone before the light.

MATERIALS

Genuine solid alabaster
Brass or matte black metal

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
