PENDANT LIGHT · THE POETRY OF RAW MATERIAL

THE PIECE

The DOURID collection captures the essence of a bygone era. Its secret lies in the exceptional craftsmanship of its thick, textured glass . Freezing the fluid movement of the material in amber reflections, each shade acts as a natural prism.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Glass: soft cloth, lightly damp if needed, no abrasive products.

Brass & bronze: dry cloth; the patina evolves naturally over time.
