DRAFIO

PENDANT LIGHT · THE PERFECT BALANCE

THE PIECE

Some lamps seek to make themselves noticed. The DRAFIO pendant light, on the other hand, relies on harmony. Its subtly ribbed white glass shade draws the eye downward, offering a focused, directional effect ideal for dining tables, kitchen islands, or bedside tables.

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Change the bulb with the power off, once cool.

Glass: soft cloth, lightly damp if needed, no abrasive products.

Brass & bronze: dry cloth; the patina evolves naturally over time.
