# DUETTE

CEILING LIGHT · A GRAPHIC GESTURE

## THE PIECE

DUETTE tilts a metal half-sphere against the ceiling: its lacquered shell opens onto a wood-effect interior. The integrated 3000 K LED lights up the wood-effect interior, which returns a warm, indirect glow.

## Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Wood: dry cloth, away from moisture and direct heat.

Metal: soft dry cloth; no abrasive products.
