FELO

CEILING LIGHT · A FLAT SCULPTURE FOR THE CEILING

THE PIECE

FELO measures just 9 centimeters thick and 50 wide: a wide crown of genuine travertine into which two solid walnut arches are set, facing each other. In the center, an opal diffuser sits flush. Nothing protrudes, nothing hangs: it is a luminous bas-relief, designed for both low ceilings and large rooms.

MATERIALS

Genuine Travertine, Beige Finish
White Opal

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Wood: dry cloth, away from moisture and direct heat.
