GOIRTA

PENDANT LIGHT · BIOPHILIC MINERAL SCULPTURE

THE PIECE

The GOIRTA pendant light marries the raw solidity of stone with the elegance of a water droplet. Its 23 cm copper oval link gracefully suspends a sphere of natural alabaster, creating an organic and balanced piece.

MATERIALS

Genuine Natural Alabaster
Premium Copper

Finishes

Black · Warm white (3000K)

Gold · Warm white (3000K)

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
