JASKO

PENDANT LIGHT · THE LIGHTNESS OF A GLASS VEIL

THE PIECE

The JASKO pendant light is a true marvel of delicacy. Its polished glass shade unfolds in soft, gentle pleats with a 24-centimeter span, freezing the material in a fluid movement reminiscent of the romantic drape of fabric or the petals of a flower.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Glass: soft cloth, lightly damp if needed, no abrasive products.

Brass & bronze: dry cloth; the patina evolves naturally over time.
