JOGNE

WALL LIGHT · MINERAL FLUIDITY

THE PIECE

The JOGNE wall sconce is a true design statement. With its rounded, oblong form, it softens the architecture of a room while lending it a monumental presence. Carved from a solid block of genuine natural alabaster, it stands (or stretches) like a precious stele.

MATERIALS

Genuine Natural Alabaster

Wall Mount (Backplate)	Concealed (approx. H 2.5 cm depending on size)
Installation Orientation	Vertical or Horizontal

Finishes

35 cm

50 cm

60 cm

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
