KEXIME

WALL LIGHT · A GEOLOGICAL WORK OF ART

THE PIECE

Forget industrial glass. The KEXIME wall sconce is a celebration of nature in its purest form. Its floral corolla-shaped shade is carved directly from genuine natural alabaster. Since each block of stone is unique, the translucency and mineral veining of your lamp will be unlike any other.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Alabaster: a soft stone, dust gently with a dry cloth.

Glass: soft cloth, lightly damp if needed, no abrasive products.
