WALL LIGHT · A STONE SIGNED BY TIME

THE PIECE

Travertine cannot be imitated. Each disc is cut from a block shaped by water and centuries, preserving its pores, veins, and imperfections: the piece that arrives at your home will never have a twin. At the center, a core of solid wood warms the mineral geometry.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Wood: dry cloth, away from moisture and direct heat.
