Hallway or living room
Centre the light about 150–170 cm above the floor; in a row, space them 80–120 cm apart.

Bedside
As a pair, about 120–140 cm above the floor, one on each side of the bed.

Around a mirror
At eye level, about 160–170 cm above the floor, one on each side.

Finishes

Travertine

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Glass: soft cloth, lightly damp if needed, no abrasive products.
