NADIA

CEILING LIGHT · A CIRCLE OF ABSOLUTE CALM

THE PIECE

The NADIA ceiling light does not seek to dominate the room; it balances it. Breaking away from cold industrial lighting, it introduces a touch of mineral authenticity thanks to its frame made of genuine travertine stone . This beige halo, sculpted by nature, brings immediate warmth and a sense of grounding to your spaces.

MATERIALS

Natural Travertine Stone
Matte Anti-Glare Acrylic

55 cm

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.
