PERLIA

CEILING LIGHT · A CLUSTER OF LIGHT

THE PIECE

PERLIA spreads its curved arms, dotted with small beads, each ending in a glass globe. The whole reads like a flowering branch on the ceiling. Each ribbed opal glass globe softens the bulb and spreads warm, even light.

MATERIALS

Sage green or matt black lacquered metal
Ribbed opal glass globes

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Socket E27 · 5 W LED per light recommended (not included): do not exceed the stated maximum wattage.

Glass: dry or slightly damp microfibre cloth, then dry thoroughly.

Metal: soft dry cloth; no abrasive products.
