RIPELLE

CEILING LIGHT · A REFLECTION OF WATER

THE PIECE

RIPELLE places a disc of rippled glass on the ceiling, like the surface of a lake brushed by the wind. When lit, it gives soft, gently textured light. The glass is set in a wood-effect frame, walnut or light.

MATERIALS

Rippled glass evoking the surface of water
Wood-effect frame

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Glass: dry or slightly damp microfibre cloth, then dry thoroughly.

Wood: dry cloth, away from moisture and direct heat.

Metal: soft dry cloth; no abrasive products.
