# SHIWU

WALL LIGHT

## THE PIECE

The Shiwu wall lamp reinterprets the timeless charm of classic reading lamps through the lens of Wabi-Sabi. Its organic silhouette, evoking the softness of a wild mushroom, is born from the union of a warm solid wood base and a raw travertine shade.

## MATERIALS

Natural travertine · Solid wood

Hallway or living room
Centre the light about 150–170 cm above the floor; in a row, space them 80–120 cm apart.

Bedside
As a pair, about 120–140 cm above the floor, one on each side of the bed.

Around a mirror
At eye level, about 160–170 cm above the floor, one on each side.

# Finishes

**Travertine**

# Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Wood: dry cloth, away from moisture and direct heat.
