TEVEAR

WALL LIGHT · WALL ELEGANCE & SUSPENDED SCULPTURE

THE PIECE

The TEVEAR wall light reinvents accent lighting by suspending a 26 cm cylindrical alabaster dome at the end of a sleek 50 cm rod. Its premium brass structure creates a refined vertical line, instantly adding architectural height to your walls.

Total Fixture Height	76 cm

Finishes

Black

Gold

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
