TISPIK

WALL LIGHT · ELEGANCE IN ITS PUREST FORM

THE PIECE

A bronze cup, a stone sphere resting within it. TISPIK seeks no complication: two solid volumes, two materials, and the contrast between the dark metal and the pale alabaster does all the work.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Alabaster: a soft stone, dust gently with a dry cloth.

Brass & bronze: dry cloth; the patina evolves naturally over time.
