VENOR

WALL LIGHT · THE EMBODIMENT OF "LIGHT LUXURY"

THE PIECE

The VENOR wall light is a celebration of post-modern design. It plays on the striking contrast between the robustness of its solid wrought iron frame and the delicacy of its curved glass shield. This luxurious and effortless aesthetic instantly transforms the atmosphere of a room.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Glass: soft cloth, lightly damp if needed, no abrasive products.

Brass & bronze: dry cloth; the patina evolves naturally over time.
