VERTIN

CEILING LIGHT · THE JAPANDI ALLIANCE

THE PIECE

The VERTIN ceiling light is a silent encounter between mineral strength and botanical warmth. By combining a body in raw travertine with a base in walnut wood , it embodies the essence of Japandi style: minimalism that sacrifices nothing in terms of emotion. It is a miniature piece of architecture for your ceiling.

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Wood: dry cloth, away from moisture and direct heat.
