VINA

PENDANT LIGHT · THE ALLIANCE OF ART AND FUNCTIONALITY

THE PIECE

The perfect alliance between art and functionality. Each VINA shade is carved from a solid block of travertine , then mounted on a brushed brass socket and suspended from a twisted textile cable. The stone retains its cavities and veins: no two pieces are alike.

MATERIALS

Genuine Travertine
Brushed Brass

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Change the bulb with the power off, once cool.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Brass & bronze: dry cloth; the patina evolves naturally over time.
