Main room
Centre it on the ceiling or above the area to light.

Low ceilings
Ideal below 2.50 m: the light stays close to the ceiling.

Hallway
In a row, space ceiling lights 2–3 m apart.

Finishes

Travertine

Installation & care

Must be installed by a qualified electrician, in line with local wiring regulations (BS 7671 in the UK).

Switch off at the mains before fitting or cleaning.

Integrated LED: no bulb to change.

Travertine: dust with a soft dry cloth; avoid water and cleaning products.

Wood: dry cloth, away from moisture and direct heat.
